Pursuant to Federal Rule of Civil Procedure 6(b), Micro Focus Software, Inc. (“Micro Focus”) by and through undersigned counsel, files this Stipulated Motion for Extension of Time (the “Motion”) to extend the time by which it must file its response to Valtrus Innovations Ltd.’s

(“Valtrus”) Motion to Compel (ECF No. 1) (the “Response”). The Response is currently due on July 3, 2023. Good cause exists to extend the Response’s due date because the parties are currently attempting to resolve the Motion to Compel without the Court’s intervention, but the parties’ efforts are being delayed by the July 4<sup>th</sup> holiday. Accordingly, counsel for Micro Focus and counsel for Valtrus have agreed that Micro Focus may have until July 6, 2023, to file Micro Focus’s Response. Because good cause exists to extend the Response deadline, and because the parties have agreed to the deadline extension, Micro Focus requests that the Court grant its Motion.

DATED July 3, 2023.
